Parent Volunteer Scheme at Radin Mas Primary School

The objective of the Parent Volunteer Scheme is to facilitate parents interested in registering their child in Radin Mas Primary School (RMPS) to develop a long-term involvement and commitment with the school in their child's learning journey.

2.   Under this scheme, a parents may be able to register their child under Phase 2B during the Primary One Registration Exercise if he/she meets the following criteria:
(a)   His/ Her child is a Singapore Citizen or Singapore Permanent Resident;
(b)   He/ She has joined the school as a parent volunteer and has contributed at least 40 hours of voluntary service to the school.

3.   Parents who wish to participate in this scheme must apply to the school in January of the year prior to the Primary One Registration Exercise for their child.

4.   The school has the autonomy to decide on the areas, types of voluntary services as well as the number of parent volunteers it requires to meet the needs of the school. Parents who are short- listed will be notified accordingly.

5.   Acceptance of your application form does not render the school liable to accept the voluntary services you offer as Parent Volunteers are selected based on the needs of the school.

6.   RMPS has the final and sole discretion in selection of Parent Volunteers. We seek your understanding that the school will not be able to share with you the reasons for non-selection.

7.   Completion of the minimum 40h of voluntary services **WILL NOT** guarantee your child a place in RMPS under Phase 2B of the Primary One Registration Exercise as the school abides strictly by the guidelines set by the Ministry Of Education. For more details and latest information on Phase 2B eligibility, please refer to the MOE website at http://www.moe.edu.sg/education/admissions/primary-one-registration/

8.   Thank you for your keen interest in being a partner to the school.
